Director of Gynecological and

Obstetrical Pathology

College of Physicians and Surgeons

Columbia University

New York, New York

Disclosure

Disclosure of Interest and Contributed Funds

As a provider accredited by ACCME, the ASCCP must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty participating in an ASCCP activity are required to disclose commitments to and/or relations with pharmaceutical companies, biomedical manufacturers or distributors, or others whose products or services may be consid-

ered to be related to the subject matter of the educational activity. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals, products, or instruments discussed in their presentation. Disclosure of these commitments and/or relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
