

Travel & Airline

Airline Information

The hotel is located in downtown Chicago approximately 18 miles from O'Hare or 13 miles from Midway Airports. Both airports are served by all national and international carriers.

Transportation

Taxi transportation from either airport will require 20–45 minutes travel depending on traffic at that time of day. The Continental Airport Express bus serves both airports from the baggage claim level. Travel time is about an hour with buses leaving every 15 minutes. Valet parking is available at the Drake for \$41 per day (Jan 2007) or nearby for \$25 per day in an attendant-assisted garage.
