

ASCCP Donation Review Policy

Introduction

ASCCP follows strict procedures for the contribution of monetary donations

Donation Overview

- ASCCP may donate to organizations that are consistent with its mission of improving lives through the prevention and treatment of anogenital and HPV-related diseases
- Donations may be given for a variety of purposes, including but not limited to:
 - Recognition to the outgoing Board President (*note: in this case, as long as the awardee isn't controversial to the ASCCP mission, it may be outside the scope of ASCCP's intended focus.*)
 - Advocacy and Awareness
 - Marketing and ASCCP Brand Recognition
 - Awards for Abstracts, particularly in situations where industry is set to receive an award

Process

- Anyone suggesting a donation to an organization on behalf of ASCCP should bring such request to the CEO
- Before any donation is finalized, the CEO will bring the suggested organization and amount to the ASCCP Board of Directors for review and approval. The Board will take into consideration the following:
 - Values:
 - Does the donation of the gift compromise any of the core values of ASCCP as understood by the Board of Directors
 - Mission:
 - Does the organization meet the criteria of being consistent with the mission of ASCCP
 - Public Relationships:
 - Does the donation damage the reputation of ASCCP
 - Lobbying:
 - The recipient should not participate in significant lobbying efforts so as to keep ASCCP clear of the perception of funding such programs
- Donations will be distributed via Accounting and communicated to ASCCP members
