Gynecologic Oncologists are cordially invited to attend this informal networking reception to discuss challenges in the field as well as how to grow and expand participation of Gynecologic Oncologists in ASCCP.

Visit the NCI table at the ASCCP booth for a hands-on demonstration of the risk matrix supporting the ASCCP Risk Based Management Consensus Guidelines.

Apply for the Colposcopy Mentorship Program (CMP)

The ASCCP Colposcopy Mentorship Program (CMP) is a three-tiered mentorship program designed to improve the beginning colposcopist's skills in understanding the disease process of the lower genital tract. The program's components are:

Tier 1: Attend ASCCP's Comprehensive Colposcopy Course.

Tier 2: Apply for the CMP Program. Once approved, perform 25 colposcopic examinations under the guidance of an experienced ASCCP-approved mentor.

Tier 3: Successful completion of the CMP exam.

Upon completion of the three tiers, the Mentee is awarded a certificate of program completion and may apply, if they choose, to serve as a mentor to others.

Earn Your Certificate of Completion in Colposcopy.

For more information, visit www.asccp.org/cmp

Saturday, April 6, 6:00 PM - 8:30 PM / Mercer Ballroom

A buffet dinner will be provided by ASCCP for attendees of this event.
